

Thank you Mr. Chairman.

Firstly, I join my colleagues in gratitude for the impeccable hospitality granted to us.

As for peace; in perspective, and against all odds, we may say that we are going towards peace, not away from peace.

To support this optimistic, Afghan owned and Afghan led trend in peace, we are cooperating with the Government of the Islamic Republic of Afghanistan and the Kingdom of Saudi Arabia, in preparation of an international ulema conference in an inclusive and embracing approach.

As for the pessimistic view, ISIS is a looming trend of threat for Central Asia and regional countries.

We should be alert against it.

Thank you.
